WELCOME TO CASA

Casa is rooted in the food and culture of Portugal.

Shaped by our love of hosting and sharing, we bring this spirit to London through wholesome Portuguese cooking grounded in quality ingredients and provenance. Taking inspiration from co-founder Marco's upbringing in Southern Portugal, his memories of fire-cooking, family meals and trips to the local food markets, Casa means home.

Casa has three locations: London Bridge, Mayfair and Victoria, each delivering the same warmth and care that defines Portuguese hospitality.
